

Allied model L5 Screen Panels

Custom crafted screen panels in white, cream, & dark brown

Valuable extras:

- Screen panels come fully assembled
- 1" x 1" heavy-duty aluminum tube as master framing
- Panels can be made extra large to preserve the view
- Heavy-duty screen cloth in a dent resistant fiberglass
- Screen doors available in single or French styles
- Angle tops (gable panels) and transoms available
- Panels pop in and out of header and sill channels
- Panels interlock to fill any size opening
- Historical look
- Finishes are maintenance free
- No unsightly clips or hardware
- No installation of blind stops required

As shown: 4 panels

Contractor installed horizontal 2 x 4 wrapped in white aluminum.

Ceiling systems are not available.

Maximum size not to exceed 10 feet (combination of width plus height).
