

Allied model 3100 Screen Enclosure

Custom fabricated screen panels in white, cream, & dark brown

Valuable extras:

- Screen panels come fully assembled
- 2" x 2" aluminum tube as master framing
- Panels can be made extra large to preserve the view
- Heavy-duty screen cloth in a dent resistant fiberglass
- Expansion channels all around for an exact fit
- Screen doors available in single or French styles
- Angle tops (gable panels) and transoms available
- Built-in railing available
- Panels interlock to fill any size opening
- Option to add Allied windows later
- Finishes are maintenance free

Perfect for balcony areas, under decks, or your lakeside home.
Ceiling systems are not available.
